Experience

Artist, Graphic Designer – Self-employed

March 2018 – Present

I create digital artwork, design logos, branding & promotional material. I work with clients to determine the information or message to be conveyed, translate those ideas into visual media, iterate on the designs with the input of my client, & finalize designs for web or print.

Brand & Digital Content Specialist, Event Coordinator, DJ – Snailzone

September 2018 – Present

Snailzone is a small team that plans & promotes parties in the (pre-pandemic) real world & online. I design logos, social media assets, flyers & merchandise. I collaborate with others to manage our social media presence. I schedule shows, book guests, & perform as a DJ at our events.

Label Designer, Manufacturing Assistant – Bluelight Tapes

December 2018 – Present

Bluelight Tapes is a an independent record label & cassette-tape production service. I format & edit existing artwork, design labels, print, cut, assemble & package tapes.

Buyer (Frozen Specialist) – Whole Foods Market

June 2018 – December 2019

I was responsible for order-writing, inventory, monitoring & controlling shrink, unloading shipments, stocking shelves, updating tags, & training others. I generated financial reports for the department & corresponded by email & phone with customers, vendors, & regional management.

Cook, Cashier – Whole Foods Market

June 2015 – June 2018

I prepared food, stocked ingredients, maintained a sanitary kitchen & served customers at several points of sale. I operated the cash register, engaged customers & promoted charity drives, sales, and other programs.
